About Me: I am an English teacher in public middle school in Siheung, Kyounggi do. I've been teaching English for 2 years. Now, I am teaching the first graders at my school, who are 14 years old, maybe the 7th graders in U.S.

1) What do you like most about your job?

I like my job because I can meet many students, who have their own potentials. I would like to be a guide or helper for my students to find out their talents and abilities.

2) What do you like least about your job?

As an English teacher, TEE(Teaching English in English) is lots of burden to me. I wish I could speak English as a native speaker.

3) What job do you think you'll be doing 5 years from today?

I will have been teaching until then, but I want to become a professor, who gives a lecture to English teachers. Also I want to be a volunteer worker for the world problem such as in UN or NGO in the future.

4) Do you ever eat American food? If yes, what do you like the best?

I've eaten lots of American food - Hamburger, Pizza, Spaghetti but after I decided to become a vegetarian, I'm trying not to eat any meat. So my best dish could be salad or sweet potatoes or bread or corns.

5) Do you ever watch American TV or movies? If yes, what are your favorites?

I'm enjoying watching American movies and soap operas to practice my English :) - Desperate Housewives, Prison Break, Avatar (It's amazing)

6) What do you hope to accomplish on your GSE exchange?

This is my first time to visit U.S. So this will be a great opportunity for me to experience the western culture. I think homestay will be one of the best experiences and visiting American Schools will give me a broaden insight into education. I want to learn more about school system and how to teach foreign language.

7) What are your goals at work? Short term? Long term?

For the short-term, I'd like to study abroad to improve my teaching skills. For the long-term, I want to become a professor, who gives a lecture to English teachers. Also I want to be a volunteer worker for the world problem such as in UN or NGO in the future
