---

**Dinner with Host Families**

NOTE (Korean Arbor Day): Because of the devastation and deforestation resulting from the Korean War, the Korean government designate April 5 as Arbor Day and made it a time for all the citizens to plant trees and other plants. Decades later, the forests have returned. Nowadays, citizens still plant trees and flowers and clean up the surrounding hilltops and mountain AREAs, and the day serves as a reminder to respect nature and the environment.

Bill Pearl will leave van with Bill and Els
