

## Governor's Citation 2018-19

### *Strengthening Clubs*

- 1. Mandatory (50 points)** Pair up with another President and visit each other's club as a (secret shopper) potential new member. Evaluate the following and report to the President of the club you visited your findings:
  - Location appearance
  - Your reception on arrival, during and after the meeting, (were the Rotarians warm and inviting),
  - How organized was the meeting
  - How was the speaker
  - Were you invited back
  - Based on what you saw, would you return? Report to the President your findings.
  - **Bonus Points (10 points)** Pair up with more than one President and visit more than one club as a secret shopper.
  - **Bonus Points (10 points)** You presented to the 2018-19 board the findings from your visit (new ideas you got from visiting another club) or suggestions from the President(s) that visited your club and action was taken to make at least one change.
- 2. Organize a Member Survey (35 points)** Survey your members to find out what they like about your club and what they don't like. Consider topics like the meeting location, the speakers, club projects, use of foundation money ( DDF). This survey can be as informal as an email survey, survey questions passed out at club meeting, the President personally asking each member, or as structured as Survey Monkey. (I recommend Rotary.org, and search for "member satisfaction" survey for a sample. There are several to choose from.)
  - **Bonus Points (10 points)** The findings from your survey were presented to your board and action was taken on at least one finding.
- 3. Induction ceremony (20 points)** Perform a makeover on your new member induction ceremony. Becoming a Rotarian is a big deal. Does your club make a big deal out of inducting new members? (Use Google for ideas)
  - **Bonus Points (10 points)** invite a non-Rotarian such as a family member to be in attendance at the ceremony
