

# GRANT REQUEST FORM

Thank you for your interest in the Youth and Peace in Action program (YPA). Please complete all sections of this request form and email to the District 6930 Charitable Foundation board for review at [m.walstrom@me.com](mailto:m.walstrom@me.com).

This year, the YPA model is focused on strengthening Rotary Club opportunities to connect, support, build, and sustain relationships with local schools and communities. You can learn more at [www.youthpeaceaction.org](http://www.youthpeaceaction.org). The YPA implementing team has already started high school outreach. Generally school, and especially Interact Clubs, will be eager to know about sponsorship. Based on input from hundreds of principals, teachers, club advisors, and students, YPA has two parts – one that applies to academics, and another that supports club members to be in action.

**FOR WHICH YPA PROGRAM ARE YOU REQUESTING FUNDING? SELECT ALL THAT APPLY.**

- My Peacebuilder Foundations (MPF) \$100**  
 Any principal can sign up the high school for YPA, and make MPF online content available to interested teachers and students. It's possible to complete the "MPF" course in 10 hours, receive a Peacebuilder certification, and meet service requirements. Teachers receive an online toolkit and downloadable materials that can be used to guide class/group discussions.
- Leading Peace Project Teams (LPPT) \$500**  
 YPA sign-up by the principal also opens the door for interested members of any/all clubs to participate in "LPPT" which provides online and live, virtual training and mentoring for a peace project (up to 10 students). Completion earns certification that qualifies students for other awards, and scholarships.
